stairs to heaven, mount royal.

hidden in plain sight ... paying to the bible.  
and how few do.

Pulled into a small town on the way to  
St Anne's basilica past Quebec City for gas (+ sub)  
and noticed another St. Anne's sign in this town.  
immediately next to the gas station.

Getting cash from the ATM, the bills flew  
out like a slot machine spilling coins.

"A little win". Staying the night in the  
gas bar lot to visit "this" St. Anne's in the  
Amn.

Before the trip at gma H's a CD cover  
in German had three cathedral shaped rocks  
along a shoreline. At Louise's a picture mimicked  
this by showing three closed umbrellas and some jokes.  
In Thunder Bay a picture of "the" stone at Mecca  
above the "Gangens" to their <sup>Abraham</sup> water room  
showed "three domes" that mimicked the same idea.  
YHWH made it knowna there were connected.

Now looking at the St. Anne's cathedral (see why.  
It has "3" arches in this shape.

"Because" the other subway only had white bread I waited until this stop which only advertised subway + gas - "Exactly" what I needed.

The Rolling Stones song - you get what you "NEED"

A lemon in the car with the same thin skin, fragrant like the one I picked in alley across the valley to the Jordan river.

Remember the "two stones" left on the YAHUSHA family tomb. They were round so I immediately remarked "rolling stones"

As I write, the Paul McCartney song I was named after is playing. Can't make out a single word. Jeff (Live).

"Sunshine of Your Love" <sup>by Cream</sup> stars falling.  
 "until my seeds are dried up"  
 "I've been waiting so long"

The Cathedral has "1" of the same triple circles containing the X42 flower on YAHUSHA's ossuary.

I'm just a single (in a rock.) Moody Blues - so many people needing to be free.

"Man" has been highlighting.  
"Bird man"

My love of birds

An eagle soared above as a nice alignment  
and then a few beautiful hawks today.

I'm seeing the Emerson Lake/Palmer lucky frame  
cover with a dove.

Earlier a nice lyric of a dove and eagle  
next to each other.

I'm sleeping with my shirt off in the case  
Wings are blessed in my sleep.

There are two center columns of the church  
that remind me of Samson's strength.

I accidentally drank a fruit drink with  
grapes violating the Nazarene vow so I took  
the opportunity to complete the communion  
from the bread only portion at All Saints  
last Sunday. The lemon growing by JAMES H.  
family tomb was when given James it life...  
make lemon juice!!

I must write how the parking area at

Four possibilities for meeting Cardinal Gerald Saorix over the weekend. A higher likelihood of this happening on Sunday as suggested by Bernard Gauthier so I slept in until just after 8 and drove to Notre Dame. The church is beautiful. I particularly like the painted sky with cherubim - around the opening as I love to look to the heavens when I pray.

My parking spot of 1056 incorporates my favorite number of 156 =  $1, 5+6=11$ , so 111 for the gematria of Aleph. and adds to 3. It became my favorite number the month I saw it on a cross country race number bib, I believe worn by Paul in Thunder Bay. Reflecting on this, it had to be so of was an early guidance by YHWH's spirit. Over time just 56 for. Reading up on Cardinal Gerald Saorix his appointment took place at that age, the youngest yet. YHWH has been signing 22. It was the building number next to the YHWH family farm that I visited to receive he gifted a red letter bible to answer YHWH's message of YHWH speaks to know he spoke through His Son. It's also the date the Cardinal received his title.

~~I prefer the park area~~ As there was no service I went around to the office on the side where I spoke with a man

closing yesterday who directed me to the service schedule. Oddly the front vestibule door was open and to the right through a service window a calendar. Bernard Gantner impressed the idea the Cardinal's office may have his schedule. As they were closed early on Friday I didn't get the chance except to leave a voice message that may not get heard until Monday.

The inner doors were curtained or bolted for privacy. A shadow emerged to the side glass meeting area as I was looking at ~~the~~ a schedule posted on the wall behind the glass.

D. Belanger invited me in. I showed the mission to collect a small piece of the Annet bone for DNA sampling at Lakehead's Paleo DNA explaining they did the analysis of a first century shroud / tomb. He asked for the relevance and I realized in that moment the 'Saint James' store front I parked at offered the closest possibility for bone <sup>DNA</sup> analysis and comparison to know if the Talpiot Tomb is indeed that of YAHUSHA's family for my first night in the Old City of Jerusalem I wrote of meeting the ossuary dealer. It was James' ossuary (if memory serves) that went missing so his bones may be available through the black market. Through this man... Interestingly he offered pricing in lower ranges and then threw out a \$1m figure.

James' bones may be the \$1m dollar baby.  
 Such linkage <sup>DNA</sup> ~~may~~ entice to Ste. Anne may  
 entice the bones of the other Fairport Tomb ossuaries  
 to come forward for analysis and comparison.  
 There are three bone relics from Ste. Anne.  
 I have to believe the smallest finger sized piece  
 is the one to use for YHWH aligned I be thinking  
 about a 'pinky swear' and the man at Ste.  
 Anne's info center then described that small relic  
 in similar fashion... the size of the top part of a  
 finger.

YHWH was messaging the thumb + finger of God  
 during enlightenment so another important knowledge

The church is fundraising for \$3.5m.  
 Perhaps it is time to help them achieve <sup>look what happens</sup>  
 this so they can gift Ste Anne's bone <sup>here, a diamond</sup>  
 relic. <sup>never done before</sup>

<sup>or should</sup>  
 The Ossuary dealer may be able to supply a small  
 fragment of James' bone if on a no-questions asked  
 basis he can help discover it's whereabouts.

I will contact our friends who gifted the widow's wife  
 to help find it, or ~~the~~ <sup>the</sup> arab man I met who gave me  
 his cards that lives close by the old city

Maybe the \$1M for James bonds will make this a reality. I have to be careful about thinking in terms of money being needed. We must believe in ~~that~~ aligning good hearts to do this will! I'd like no money to be involved. I must remember how the widow's night white came... it was a trade where we both were very pleased to be helping and receiving... my first of this sort really.

The Saint James store sign mentions "Tourdain" and "Dale" Norway." Both in quotes are important to remember. Norway was highlighted on my last day in Israel for I met a ship's officer who ~~carried~~ <sup>wore</sup> this flag that caught my attention.

A message "mature men wear boards" such as ~~what?~~ guidance to grow one until further notice.

A taxi with the name "cogp".

D. Belanger was shared about the miracle waters and ~~letting~~ the ten commandments angel calling. He indicated the cardinal would be at the mass Sunday at ~11-2 seeing people for 15 minute increments. His secretary would be taking appts there and not in advance so no need to email.

I best be there early at 9 am. It was a real blessing

for D. Belanger to notice my shadow while in the front vestibule as I was looking to see if the Cardinal's schedule was posted. After I stated my purpose he left the room and returned with this information to meet the Cardinal tomorrow.

Everything before me is a total blessing. I have so much gratitude for this journey.

The "journey" was edited by Bernard Gauthier and by YHWH's spirit not too long ago.

I must be frugal on my expenses. Today is a wheatgrass and water fast day. A dream edited I need to eat cleaner. The slightest decline in diet to include processed foods results in poor skin on my face ~~fast~~. I broke out after returning from Israel.

YHWH aligned that the 69 (YAKUSHA) corner reference came up twice the the day in Thunder Bay about dirty jokes he knew I'd be reminded of the importance to speak spiritual safety.

Met your maker (my an).

Jesus Jesus - Right Here Right Now

watching the world wake up"

Another "Murder Bay" reference to this song  
I absolutely loved when I first heard it there is.

nostredame de kebec.org.

When I speak as an "angel" of the ten commandments.  
Did Abraham not know how to discern a regular  
versus spiritual dream when YHWH came to him.  
Scripture speaks to this very fact when YHWH  
~~speaks~~ gives glory to Moses, "I did not come  
to you through dreams as with others, I  
came face to face ... allowed him to be face  
to face".

Discernment is vital and your / our faith  
is in the balance.

I do not <sup>just</sup> believe in YHWH... I KNOW  
YHWH by being face to face in all YHWH  
aligns including dreams. The spiritual lights  
of heaven have appeared in several dreams.  
One in particular led me (in part) to Jerusalem.  
The light of heaven needs no discernment.

It is in this same light I saw a major catastrophe  
Golden Souls leaving earth in such a number I wept

inside as YHWH placed words ~~to~~ speak  
to others witnessing ~~their attack~~.

"YHWH just wants us to be good"  
has meaning into  
this double ~~into~~ Judgement ~~and~~ man killing ~~day~~.

YHWH aligning for me to understand Telfa <sup>may very</sup> will be  
a place of refuge during such an event as  
we were in a boat away from land and  
back at Shalom Temple the man who had  
collected death records of car crashes  
<sup>nearby car</sup>

For in my writings I shared how YHWH's  
spirit aligned Telfa is a place of safety  
when coming face to face. Scripture is  
clear YAHUSHA's coming will cause  
a rift. The Jordan Valley Rift is well  
known. YHWH's will for me to warn  
citizens of <sup>Tiberias area</sup> a ~~master point~~ had a special  
purpose.

Returning down the mountain on the  
Shalom Unity full moon night I gazed at  
the view down <sup>up</sup> Tiberias lake and the  
city lights beyond full moon lit. <sup>exactly</sup>  
that only view point being at distance  
marker No 16. The age of Cardinal's Genito

appointment and my favorite number truncated.

to then see at the restaurant "sacrament"  
a paper showing a picture of 3 expo players

of the logo.

the Brantman connection runs deeper by YHWH<sup>1</sup> alignment the 'crown royal' factory is nearly ~~over~~ the family cottage. There is also a tie into today's asking of the bishop/cardinal for St. Anne's bone sample as ~~YHWH~~ has asked me to temple her vite/right. The DNA match of her bone to that of Mary Magdalene would be the mother. mother connection confirmed. In Vancouver during enlightenment I wanted to share the experience with the lead singer Ryan from Mother Mother for the song "is it a ritual" speaking to how nothing really touches it how I feel YHWH came to me for "wandered" if this is so then "who" controls the program that governs all? That meetup didn't happen however another did where a photographer insisted I join them at a party. I was in no mood to go however his insistence ~~rather~~ eliminated my resistance so I did. and we ended up at Barney Bentall's son's place where we met Ryan <sup>to mother</sup> ~~mother~~. It was there where a "never seen before" gallon format of Crown Royal was being shared by a single cup. as all crowded around the piano as the musicians were truly enjoying themselves amongst close friends.

I was forced to sleep in as my cold <sup>persisted</sup> ~~seemed to~~ broke into flu symptoms. I'm at the Notre Dame <sup>church</sup> ~~like~~ by <sup>repaying</sup> love and wellwishes to all my ails <sup>and more</sup> ~~and more~~ <sup>sleep it</sup> ~~followed~~ <sup>took it</sup>

for the U Am service. I have such an incredible feeling of peace I don't want to leave ~~the~~ and parking time to the meter. D. Belanger provided the service once more. In front of me is a sign with a jacket that has two very large front pockets sewn onto the back side. "Never seen before". A sign not to offer any money for the bone. It must be given with love.

I spent an hour or more last night trying to locate the ossuary specialist to find James' (brother of Tattus/HA's) bones. Emails sent to several dealers as well as Peter with his 777 email who replied this morning "bring it to Jerusalem" you should

He totally misunderstood the meaning of the mission. YHWH's spirit guiding his reply so I know this is an asking to bring the bone samples to Jerusalem.

I was wondering if her bones should be brought to Delos, Greece for this is the center of the Maltese Cross on the globe and ties into YHWH's message (God time) is all Greek to me. The alignment also for there to be a Greek church built very close

to the Paleo DNA Lab & Lakehead -  
 actually very close to where I lived.  
 The nearby field is where I learned to  
 throw a boomerang gifted by the same  
 uncle who made this whole trip possible.  
 YHWH's spirit + alignment to recognize  
 a "return" of Edie Ann's bones are  
 required, by Peter's reply to Jerusalem.  
 however perhaps a stop in Delos, Greece.  
 Mary Magdalene's ossuary was marked in  
 Greek (with her name). I will need to ask.  
 Yet I feel the mother/mother alignment  
 means to Jerusalem where Mary Magdalene's  
 bones are (or were) as I need to confirm  
 with the Israel Antiquities Authority of  
 these whereabouts.

Yesterday's writing included songs that YHWH's  
 spirit aligned with events.

There was one prayer shawl with the words  
"The prayer shawl you have been praying for"

my season, I felt it was too holy to purchase and shared  
~~the story~~ <sup>my</sup> experience, <sup>ways</sup> that caused this feeling w/  
Thelma (her name in Greek Thers = God?)

While at the Benias <sup>springs</sup> cave I camped in an  
ancient olive grove where a few cows lived.

On ~~one of my first~~ <sup>the second morning</sup> I awoke to hear one of the

cows in a far area of the grove to the right  
and just past the outline of what looked to be a  
man in a prayer shawl. The account of Ron Wyatt  
being thanked for his work by a man in ancient  
Jewish garb has impressed on me. A man who  
no one else had witness to and who he felt would  
have been Christ / YAHUSHA.

In that moment I felt like I was approaching  
YAHUSHA. I walked in absolute darkness.  
The sound the cow made was very unusual  
and actually transmitting a sense of importance.  
Almost off heart-felt "look at me". As I got  
closer I realized the outline was above the  
ground. Even closer that the outline was  
the reflection of a triangle <sup>top</sup> and rectangular  
body? aluminum sign backing. It didn't matter

the feeling was a gift. The reverence had to been felt by YHWH. For walking in this direction and then outside to the road I came before a perfectly laid figure 8 in wire that was black and white striped just like the tomb marker next to the YAMUSHA family tomb entrance. This is what sparked my immediate departure to Jerusalem.

(1A0)

I shared this with Thelma; as well as the Greek LO Dity name that enabled a tractor-like pull of third eye to the heavens when YHWH <sup>beam</sup> allowed my guiding me to the words 10N to say just 10 on repeat.

The word Hubris comes to mind; foolish pride or dangerous over confidence, synonymous with arrogance.

Amethyst = dreamstone

Corrective to 6th stone of the New Jerusalem. Pious the Elder describes it as being "green" and often transparent.

The "green lantern" stone in Gma S's silver necklace could be jasper...

Richard's comments about believing in the universe before us (as a blip in time) and more interest in "who wrote the program" rather than religious texts.  
He focuses on the single revelation of the mom. as inspiring than any "childhood" story which he equates the bible to as control of educated men w/ power over the followers.

The very idea if we are to follow YHWH and YHWH's guidance to be born Jewish and follow Jewish customs follows a thought that I had about wearing team colors in connection to this.

If your team is white, you wouldn't show up with green attire.

Just as if we are to advise and follow YHWH's choice for His Son; we'd be true followers to abide by Jewish customs YHWH followed and learn to speak and write Hebrew / Aramaic ... also spoken by YHWH and written into the Ten Commandments.

As it happens, The Winnipeg Jets are having their "white out" event supported by fans.

It speaks of how a black woman voiced she was uncomfortable with the "white out" concept being a black person of whom is opposed.

I Really need to consider what Richard said today. The light + love I experienced. How he said it's meaningless to him unless he could experience it as well, I mentioned the reference to the 4 min rule being broken by so many after it was shown it was possible to do.

and taking his father's left hand walked into the other room where the thunder sound came from. They both turned their attention to the sound which was a "mono-tone" thunder. so unlike 'normal' thunder with many tones.

What came before him was a flame formed body. It brought peace to him. The fire wasn't extending beyond the body rather the fire was contained within. He recalls 'garments' but not pants.

1. A woman herding 400 goats found a way to be like a boo-peep. He mentions sheep.

There need not be any lotto wins of the monetary sort when YHWH wills it. Today's journey and alignments were the real lotto win. The tickets producing would of course give a grander stage yet that wouldn't be available to all yet YHWH's daily alignments are for those that come face to face.

When BF was searching for 360 camera's there were a lot of Virtual Reality rigs.

What better virtual reality is there than spiritual growth like what I experienced today. Expressing my faith & belief to YHWH by following all YHWH impressed upon me which led to wonderful adventure, charity, and general good feelings topped w/ miraculous alignments continuing from Jerusalem ... The Tsz <sup>Page</sup> network 11

has an 'onion' logo. YHWH's knowings can last years and like an onion have many many layers to peel and reveal more and more.

FF remarked on the car ride home about a vacuum in some context about TOR being one (his analogy for it's encryption model).

Immediately I connect the 'knowings' gifted by YHWH which I call 'mind shares' too to FF's analogy for no one but you can receive YHWH's messages.

Such a DIVINE thing, gift, pleasure, blessing, membership...

HR = hair raising; which happened so many times today as I ~~take~~<sup>took</sup> these actions thinking of betterment for YHWH's message of CHRIST (YAHUSHA) and the (TEN) COMMANDMENTS to be delivered to all at this critical crossroads before the second coming of our KING OF KINGS for DIVINE RULE.

in another area of town. The evening before, YHWH's spirit had me transfixed with full attention to that very same second location. There was a supernatural draw so strong that I walked to approach it, turned back ... on repeat three times.

The next day, intent on catching a bus to Tel Aviv, across the highway is the Y.O.Y. truck parked out front of the home YHWH had me transfixed upon the night prior. That bus stop wasn't selected by me but by YHWH's alignments throughout the <sup>night through to</sup> morning. The YOY truck wasn't present at that location <sup>during the night or seen there before.</sup>

Do you see, (it is my sincerest HOPE) how YHWH aligns forwards and backwards in time: with such sophistication it leads to true wonderment.

Who else knows you so well to orchestrate such alignments that come w/ LOVE for your BETTERMENT and growth.

By these alignments from YHWH you can know what no other man may know. For Peter Simon to say YAHUSHA (christ) was the son of YHWH and YAHUSHA (christ) to reply only Heavenly Father could have told you is the 'face to face' realm of knowings, dreams and alignments given to those in that position of BELIEF and TRUST in YHWH's Holy Spirit through YHWH's son YAHUSHA ... the very first Messianic Jew which I am now very happy to be one. to edify and follow

YHWH guided

By YHWH, I was 'compelled' by my <sup>^</sup>actions  
to know YAHUSHA (Christ) is the blood "Son"  
of YHWH just as Peter Simon was so sure.

Notice also how YHWH has aligned two men for  
me to help regrow their missing fingers. To finally  
apply that knowledge YHWH guided me to and which  
I have excitement to build and share. One man  
being at perhaps Winnipeg's only Messianic Synagogue.

to emphasize my right choice in this direction, which has been confirmed. And the second man met just recently who saw an angel or YAHUSHA (Christ) himself in flame form with garment who arrived and left by the sound of thunder of a single and unique TONE.

On the trip back from Ste. Anne's I came across 'Thunder Lake'. YHWH transferred enthusiasm that I pay attention and it aligned with this wonderful man sharing this experience.

If I didn't listen to YHWH's guidance to change my name to 'Angel' Saint Germain, surely that share would not have come. for he felt SAFE.

The message YHWH has imparted by repeat alignments and enthusiasm to me is for all to seek SPIRITUAL SAFETY through His son YAHUSHA (Christ).

By denying the son, you deny Heavenly Father  
                     YAHUSHA                    YAHUSHA  
                     Christ                    YHWH.

YAHUSHA (Christ) is not just a 'prophet' or a rogue 'Jew'. He is the blood SON of YHWH. GOD of ABRAHAM, thus GOD of Moslems, Jews and Christians.

I am the angel of the TEN COMMANDMENTS and for YAHUSHA (Christ). Seek repentance through the son to reach the Father. End all prayers in the son's NAME..

to reach the FATHER (YHWH).  
 for we must all answer to the failure  
 to keep YAHUSHA (CHRIST) alive in body form.  
 He has earned by his <sup>divine human</sup>  
 empathy and love to be the door and vine  
 for us to be heard and loved by YHWH.

Upon travelling to get a lotto for FF. (Flesh  
 Father), YHWH reminds me of a recent dream  
 where the exhaust pipe of his car was directly  
 routed into the rear seat area. This to  
 say keep what we did yesterday pure and  
 on point. Do not dilute the message  
 for end times:

(TEN)  
 COMMANDMENTS  
 +  
 CHRIST.

(AS OUR DELIVERER)  
 TO COME.

This is the "LOTTO" all can win at  
 without paying or entering.

Simply give your love to Heavenly Father  
 through YHWH'S begotten SON.

'That LOVE'  
 IS OUR REDEMPTION

FAILURE to ask for it leads to DEATH.

There is a reason the Da Vinci Code movie was fanned by the winds of YHWH to be known for this truth lies in the hands of the 'STONE ANGEL' at the 'garden tomb'. She holds LOVE in her RIGHT hand and DEATH in her left just outside Rosslyn Chapel.

The 'GREEN MAN' <sup>inside</sup> has vines entering his mouth is the reference to JOHN 15:1-8.
